Other Businesses

Since the fourth quarter of 2020, we have been transitioning our other businesses segment to "Noah Digital Intelligence", with an aim to diversify distribution channels beyond our wealth management, and to provide more comprehensive services and investment products.

Ms. Jingbo Wang, co-founder and CEO of Noah, said, "It is encouraging to see continued growth in the number of diamond card and black card clients, exceeding 8,000 in total; and that our active clients also increased by 25.5% year-on-year, indicating the positive results of our upgraded Noah Triangle client service model. Net revenues rose by 5.8% year-on-year, supported by historical high recurring income as long-duration private secondary products and private equity products accumulate into our AUA, creating the snow ball effect, amid the volatile market this quarter. Since the establishment of Noah, there has been no capital pool, no implicit guarantee, no duration mismatch, no leverage allocation, and no cross-border operations of funds. Our fully compliant operations in different countries and regions where we hold local licenses ensure our lifeline and future growth. Noah stays focused on serving HNW and ultra-HNW clients, and strives to become a professional wealth management service provider with 'one meter in width and 1,000 meters in depth', delivering suitable products to clients based on enhanced research capabilities and deeper understanding of our clients utilizing the KYC/KYP/KYA platform."

THIRD QUARTER 2021 FINANCIAL RESULTS

Net Revenues

Net revenues for the third quarter of 2021 were RMB908.9 million (US\$141.1 million), a 5.8% increase from the corresponding period in 2020, primarily driven by increased one-time commissions, performance-based income and other service fees.

- **Wealth Management Business**

- **Net revenues from one-time commissions** for the third quarter of 2021 were RMB193.9 million (US\$30.1 million), a 2.2% increase from the corresponding period in 2020 due to an increase in private secondary products distributed in third quarter of 2021.
- **Net revenues from recurring service fees** for the third quarter of 2021 were RMB391.2 million (US\$60.7 million), a 2.8% increase from the corresponding period in 2020. The increase was primarily due to accumulated effect of investment products previously distributed.
- **Net revenues from performance-based income** for the third quarter of 2021 were RMB37.7 million (US\$5.9 million), an 11.9% increase from the corresponding period in 2020, primarily due to an increase in performance-based income from private equity products.
- **Net revenues from other service fees** for the third quarter of 2021 were RMB30.8 million (US\$4.8 million), a 29.0% increase from the corresponding period in 2020, primarily due to more value-added services Noah offers to its high net worth clients.

- **Asset Management Business**

- **Net revenues from recurring service fees** for the third quarter of 2021 were RMB175.7 million (US\$27.3 million), a 2.1% decrease from the corresponding period in 2020, primarily due to redemptions of real estate assets.
- **Net revenues from performance-based income** for the third quarter of 2021 were RMB44.4 million (US\$6.9 million), a 20.8% increase from the corresponding period in 2020, primarily due to an increase in performance-based income from offshore private equity products.

• Other Businesses

- **Net revenues** for the third quarter of 2021 were RMB14.0 million (US\$2.2 million), a 56.4% increase from the corresponding period in 2020.

Operating Costs and Expenses

Operating costs and expenses for the third quarter of 2021 were RMB680.1 million (US\$105.5 million), a 32.9% increase from the corresponding period in 2020. Operating costs and expenses primarily consisted of compensation and benefits of RMB459.8 million (US\$71.4 million), selling expenses of RMB114.3 million (US\$17.7 million), general and administrative expenses of RMB77.1 million (US\$12.0 million) and other operating expenses of RMB33.0 million (US\$5.1 million).

- **Operating costs and expenses for the wealth management business** for the third quarter of 2021 were RMB510.5 million (US\$79.2 million), a 34.6% increase from the corresponding period in 2020, primarily due to an increase in compensation and benefits as well as selling and general and administrative expenses.
- **Operating costs and expenses for the asset management business** for the third quarter of 2021 were RMB124.2 million (US\$19.3 million), a 14.3% increase from the corresponding period in 2020, primarily due to an increase in compensation and benefits.
- **Operating costs and expenses for other businesses** for the third quarter of 2021 were RMB45.4 million (US\$7.0 million), a 90.7% increase from the corresponding period in 2020, primarily due to increased depreciation expenses for our newly purchased headquarter buildings.

Operating Margin

Operating margin for the third quarter of 2021 was 25.2%, compared with 40.4% for the corresponding period in 2020, primarily due to increased compensation and benefits as well as selling expenses.

- **Operating margin for the wealth management business** for the third quarter of 2021 was 21.9%, compared with 39.6% for the corresponding period in 2020, due to less expenses incurred in the corresponding periods of 2020 due to the COVID-19 pandemic as well as private equity products are no longer distributed through wealth management business, but rather invested in by asset management business.
- **Operating margin for the asset management business** for the third quarter of 2021 was 48.5%, compared with 51.1% for the corresponding period in 2020, due to an increase in compensation and benefits.
- **Loss from operations for other businesses** for the third quarter of 2021 was RMB31.4 million (US\$4.9 million), compared with loss in the amount of RMB14.8 million in the corresponding period in 2020 due to reduced loan origination and more expenses from our purchased headquarter buildings.

Investment Income

Investment income for the third quarter of 2021 was RMB24.1 million (US\$3.7 million), compared with RMB0.8 million for the corresponding period in 2020, due to a gain of fair value change from our certain equity investments.

Income Tax Expenses

Income tax expenses for the third quarter of 2021 were RMB60.0 million (US\$9.3 million), a 29.3% decrease from the corresponding period in 2020, primarily due to lower taxable income.

Income from Equity in Affiliates

Income from equity in affiliates for the third quarter of 2021 was RMB64.5 million (US\$10.0 million), a 1,287.3% increase from the corresponding period in 2020, primarily due to net asset value increase of certain offshore funds of funds we manage and invest in as the general partner or manager.

Net Income

• Net Income

- **Net income** for the third quarter of 2021 was RMB271.4 million (US\$42.1 million), a 4.4% decrease compared to the corresponding period in 2020.
- **Net margin** for the third quarter of 2021 was 29.9%, down from 33.0% for the corresponding period in 2020.

DISCUSSION OF NON-GAAP MEASURES

In addition to disclosing financial results prepared in accordance with U.S. GAAP, the Company's earnings release contains non-GAAP financial measures excluding the effects of all forms of share-based compensation, non-recurring share-based settlement expenses and net of tax impact, if any. See "Reconciliation of GAAP to Non-GAAP Results" at the end of this press release.

The non-GAAP financial measures disclosed by the Company should not be considered a substitute for financial measures prepared in accordance with U.S. GAAP. The financial results reported in accordance with U.S. GAAP and reconciliation of GAAP to non-GAAP results should be carefully evaluated. The non-GAAP financial measures used by the Company may be prepared differently from and, therefore, may not be comparable to similarly titled measures used by other companies.

When evaluating the Company's operating performance in the periods presented, management reviewed the foregoing non-GAAP net income attributable to Noah shareholders and per diluted ADS and non-GAAP net margin attributable to Noah shareholders to supplement U.S. GAAP financial data. As such, the Company's management believes that the presentation of the non-GAAP financial measures provides important supplemental information to investors regarding financial and business trends relating to its results of operations in a manner consistent with that used by management.
