

## Noah Holdings Limited Provides Updates on the Status of the Legal Proceedings Related to Certain Credit Funds Managed by Shanghai Gopher Asset Management Co., Ltd.

November 1, 2022

SHANGHAI, Nov. 1, 2022 /PRNewswire/ —Noah Holdings Limited (the "**Company**" or "**Noah**") (NYSE: NOAH and HKEX: 6686), a leading and pioneer wealth management service provider in China offering comprehensive one-stop advisory services on global investment and asset allocation primarily for high net worth investors, today provides an update on the status of the legal proceedings related to certain credit funds managed by Shanghai Gopher Asset Management Co., Ltd. (the "**Shanghai Gopher**").

As the Company previously disclosed on June 21, June 29 and July 6, 2022 and August 25, 2020, certain credit funds (the "**Camsing Credit Funds**") managed by Shanghai Gopher had invested in supply chain account receivables (the "**Camsing Accounts Receivables**") with respect to the sale of computer, consumer electronics and communication products by affiliates (the "**Sellers**") of Camsing International Holding Limited (the "**Camsing**") as underlying investable assets to a buyer (the "**Buyer**"). Certain companies and individuals in connection with such supply chain account receivables were later suspected to commit fraudulent activities (the "**Camsing Incident**"). Shanghai Gopher reported such suspected fraudulent activities to relevant PRC governmental authorities, initiated legal proceedings against the Sellers, the Buyer and relevant guarantors, and has been assisting the PRC governmental authorities with their investigations in connection with the Camsing Incident.

On November 1, 2022, the Shanghai No.2 Intermediate People's Court (the "**Court**") entered an initial judgment on the criminal case of Camsing Incident, pursuant to which the Court convicted the controlling shareholder of the Camsing to life imprisonment for contract fraud, among other crimes, and the treasurer of Camsing to 17 years and six months imprisonment for contract fraud, among other crimes. Other defendants in the criminal proceeding were respectively sentenced to imprisonment for a definite term for contract fraud. As of the date hereof, the above judgment has not yet come into effect and the defendants in the criminal proceeding were granted with leave to appeal to the Shanghai High People's Court.

The Company believes that the results of the criminal proceeding would not have any material adverse effect on its business, results of operations. The Company will continue to closely monitor and evaluate any future development of the legal proceedings in connection with the Camsing Incident and provide further updates as appropriate.

### ABOUT NOAH HOLDINGS LIMITED

### SAFE HARBOR STATEMENT

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates," "confident" and similar statements. Noah may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission, in its annual reports to shareholders, in announcements, circulars or other publications made on the website of The Stock Exchange of Hong Kong Limited (the "Hong Kong Stock Exchange"), in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about Noah's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause Noah's actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: its goals and strategies; its future business development, financial condition and results of operations; the expected growth of the wealth management and asset management market in China and internationally; its expectations regarding demand for and market acceptance of the products it distributes; investment risks associated with investment products distributed to Noah's investors, including the risk of default by counterparties or loss of value due to market or business conditions or misconduct by counterparties; its expectations regarding keeping and strengthening its relationships with key clients; relevant government policies and regulations relating to its industries; its ability to attract and retain qualified employees; its ability to stay abreast of market trends and technological advances; its plans to invest in research and development to enhance its product choices and service offerings; competition in its industries in China and internationally; general economic and business conditions globally and in China; and its ability to effectively protect its intellectual property rights and not to infringe on the intellectual property rights of others. Further information regarding these and other risks is included in Noah's filings with the U.S. Securities and Exchange Commission and the Hong Kong Stock Exchange. All information provided in this press release and in the attachments is as of the date of this press release, and Noah

does not undertake any obligation to update any such information, including forward-looking statements, as a result of new information, future events or otherwise, except as required under the applicable law.
