**Noah Holdings Limited Provides Further Updates on the Status of the Legal Proceedings Related to Certain Credit Funds Managed by Shanghai Gopher Asset Management Co., Ltd.**

SHANGHAI, January 12, 2024 /PRNewswire/ — Noah Holdings Limited (the “Company,” or “Noah”) (NYSE: NOAH and HKEX: 6686), a leading wealth management service provider in China offering comprehensive global investment and asset allocation advisory services primarily for high-net-worth investors,, today provides further update on the status of the legal proceedings related to certain credit funds managed by Shanghai Gopher Asset Management Co., Ltd. (the “**Shanghai Gopher**”).

As the Company previously disclosed on June 21, June 29 and July 6, 2022 and August 25, 2020, certain credit funds (the “**Camsing Credit Funds**”) managed by Shanghai Gopher had invested in supply chain account receivables (the “**Camsing Accounts Receivables**”) with respect to the sale of computer, consumer electronics and communication products by affiliates (the “**Sellers**”) of Camsing International Holding Limited (the “**Camsing**”) as underlying investable assets to a buyer (the “**Buyer**”). Certain companies and individuals in connection with such supply chain account receivables were later suspected to commit fraudulent activities (the “**Camsing Incident**”). Shanghai Gopher reported such suspected fraudulent activities to relevant PRC governmental authorities, initiated legal proceedings against the Sellers, the Buyer and relevant guarantors, and has been assisting the PRC governmental authorities with their investigations in connection with the Camsing Incident.

On November 1, 2022, the Shanghai No.2 Intermediate People’s Court issued an initial judgment on the criminal case of the Camsing Incident, pursuant to which the controlling shareholder of the Camsing was convicted of contract fraud and other crimes and sentenced to life imprisonment, the treasurer of the Camsing was convicted of contract fraud and other crimes and sentenced to 17 years and six months imprisonment, and other defendants in the criminal proceeding were respectively convicted of contract fraud and sentenced to imprisonment for a definite term.

On January 5, 2024, the Shanghai High People’s Court dismissed the appeals filed by the controlling shareholder of the Camsing and other defendants in the criminal proceeding and upheld the judgment of the first instance, which ruling has become final.

The Company believes that the results of the criminal proceeding would not have any material adverse effect on its business, results of operations or reputation. The Company will continue to closely monitor and evaluate any future development of the legal proceedings in connection with the Camsing Incident and promptly inform investors of any updates as appropriate.
